Adventure awaits you

Every day is a new adventure through a child's eyes. Every place is unexplored territory - full of bugs to examine, puddles to jump in, and textures to touch. Nature is never far; it's right there in the grass beneath their feet and the wind in their hair. Unlike adults, children experience the world without boundaries - driven by curiosity, eager to learn, discover, and feel.

At Milo & Me, we believe that great adventures start with a clear vision. Our glasses are made to keep up with curious explorers - lightweight, strong, and ready for anything. So take a trip with us and see the world through little eyes - because for them, even the smallest things are full of wonder.

Major thanks to the Milo & Me rebels who inspire us everyday to create sturdy and cool eyewear. Thank you Cato, Leyla, Novah, Daan, Dana, Leon, Elin, Loé, Elias, Rosalie and Sam.

WHY

We believe all children should feel free to play, romp, run, jump, explore and play the way they want. Feel good about themselves and feel free to be who they are. And sometimes be a little rebel..

HOW

By designing and producing attractive, functional and affordable products which help kids with glasses to play the way they want and feel free to be themselves. Products that are responsibly produced and available for every child.

WHAT

Children's eyewear, crafted from super flexible, lightweight, and durable materials. These materials are strong enough to withstand the rigors of everyday activities! With a cool design, trendy colours, a consumer-friendly price, and a fresh brand concept, our eyewear appeals to kids from baby age to teenager.

WHY

MILO & ME

WHAT'S NEW?

For 2026, we're excited to introduce the **Duo Styles** collection: a vibrant update to our most-loved round models — Juno, Charly, and Billie. Each comes in two sizes and now shines in four brand-new tortoise colourways, created with a unique paper transfer printing technique that gives every frame a refined and organic look. Just like the endless curiosity of children, **Duo Styles** celebrates new ways of seeing the world.

A SUN-CLIP LIKE NO OTHER

Each frame is paired with a matching magnetic sun-clip — designed in the same colour and pattern as the glasses. Subtly fixed with two small magnets and a refined hook, the clip blends seamlessly with the frame, creating an elegant and practical transition from indoor to outdoor wear.

SUSTAINABLE BY DESIGN

Crafted with G850 (46% bio-based material), both the frames and clips represent our commitment to more sustainable eyewear.

BERRY – A playful pop that blends juicy reds and soft pinks, reminiscent of freshly picked fruit.

FLOWER – Delicate lilac tones that capture the charm of a blooming meadow, soft and whimsical.

EARTH – Deep browns and serene blues meet sky and soil, offering a calming, grounded feel.

FOREST – Lush greens merge with earthy browns, echoing the layered richness of dense woodlands.
